If you want opportunities to come into your life, it is time to become better at making decisions. Allow the 'Past You', to show you your values.

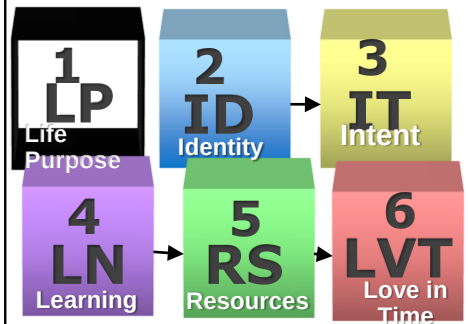
QUANTUM DECIDING® *PLANNER*

3 –Step Planning

1. ENVISION. Envision your desired future.

2. REPROGRAM. Create 2022 "decisions statements" for each decision dimension while prioritizing your values.

3. ACT. Make new decisions and take new action with your future in mind.



MORE DETAILS

In order to envision your desired future, you must write it down. The process of writing turns your vision into a conceivable future. Your visions should be for 1 year and for 5 years.

By looking forward 5 years, the 1 year plan feeds into your desired long-term goal.

Second, construct decision statements that support the current 1 year and 5 year vision. Each brain reprogramming statement helps you make conscious decisions to reach your desired goal.

On a monthly basis, take action steps. You will construct an action lists in the section to follow. Say the month is April, and the theme is "Resources." In that month, you will take actions that are based on your "Resources" action list.

2022 RS

Sample for: Resource Planning

ENVISION YOURSELF 5 years and 1 year

In 5 years from now, I will have wealth.

1. This year, I see myself paying off an IRS bill.
2. This year, I see myself creating new marketable products sold online by November 2022.
3. This year, I see myself saving $100 extra per week.

REPROGRAM YOUR BRAIN WITH A VALUE STATEMENT:

1. In the past, I believed that dealing with IRS would be tough. Today, I decide to actively call IRS for answers.

2. Before, I thought it was going to be hard to create products; now, I decide to create products that I love.

3. Before, I would buy things that I did not need every week; now I decide to save this money every week.

TAKE ACTION STEPS.

1. Monday, I call IRS and ask to speak to a representative.
2. Every day from 5-6 pm, I write one more page in my future book.
3. Instead of buying take out food, I cook my food at home and place the money into savings.

YOUR 2022 VISION

Each of us has a vision for our lives. The way that you can honor your life is by listening to your Future-Self. This part of you helps you see yourself in the future in your most desired situation.

Your Future-Self helps you see yourself in a situation that brings you joy. The Future-You is your wise advocate.

The Future-You shows you yourself in the future, and doing things that you WANT to do. This part of you requests that you write down the top desires that you see for yourself this year.

ENVISION WHAT YOU WOULD LIKE

You have important desires. Think of the top 3 desires that are healthy for you in 2022.
Here is an example under the 'Learning' category.

By listening to the 'Past-You', you stand up for your values. As a result, you are happier as you move through this year.

This December is about the 'Gift of Life'. Congratulations! Celebrate. You made it! You are alive and have another day to experience.

Look at yourself as a gift to this world. This month, dress in your nicest clothes, to celebrate your existence. This month will be an amazing experience for you. You will see your desires have come into existence and/or are currently being born.

Congratulate yourself for making decisions for this 2022 year's success.

DECEMBER DECISION:

Buy a white candle. On the side of the candle, carve your name on it. Then carve 'Thank You 2022'. Light it every night and thank The Source (God) for providing wisdom this year, and success in 2023.
